

Driving Permit Request & Permission Form

Students must ride in district-provided transportation unless a special permit is issued. Emergency situations, home school activities, or special circumstances may require a student driving to school. Special permission may be granted with the approval of the student's parent/guardian, home High School Principal and SoMoTech Director. If the student is given permission to drive, they must report to a designated area upon arriving at SoMoTech and upon returning to their home high school campus. **All permits must be requested in advance before the day of driving. A copy of the driver's current license and current insurance card must be attached to this form.**

Please mark the appropriate driving pass:

Short-Term (less than two weeks)

Long-Term (all-year or extended)

- Student must obtain permission from the instructor.
- Program instructor must complete and sign the driving pass form.
- Signatures from the following are required: Student, Parent, home High School Principal, prior to submission to the SoMoTech Director for final approval
- The completed permission form must be brought to the SoMoTech office before the day of driving. The form as well as a copy of the insurance card and driver's license will be kept on file in the office.
- Disciplinary action may be taken if the above procedures are not followed.

Reason for Driving Pass/Permit Request (required): _____

We hereby grant permission for the above named student to drive a personal vehicle to SoMoTech and acknowledge that students who drive personal vehicles to SoMoTech will not be in the care, custody, or control of SoMoTech or the student's home high school district during the time they leave the premises of the home school district until they arrive and enter SoMoTech. SoMoTech and the student's home high school district are not liable for any injuries to persons or property arising from the student use of a personal vehicle. Students who drive personal vehicles are operating such personal vehicles at their own risk. No additional student riders are allowed to ride with student drivers.
