## **Program Objectives and Goals:**

- 1. Enhance emotional, academic and social development while increasing one-on-one career/college planning.
- 2. Increase the parental involvement and collaboration with family and staff to enhance student test scores and achievement by creating an environment conducive to learning and increase graduation rate.
- 3. Decrease student at-risk behaviors by enhancing emotional, academic, and social development with emphasis on equity (gender, racial/ethnic, disability, sexual-orientation) etc.
- 4. Establish a non-threatening environment where students feel safe to articulate their needs in an appropriate environment.

### **Program Description:**

The West Plains R-7 Guidance and Counseling program is based on the Missouri State Model Guidance program. The R-7 School District employs one (1) half time and six (6) full time guidance counselors. The guidance and counseling program addresses the needs of students as they encounter and deal directly with intellectual, emotional, social, and psychological issues, as well as assist students in making informed educational and career decisions. The guidance program is an integral part of the school's total educational program designed to support, facilitate, and encourage classroom instruction and student achievement. This program offers a full range of activities and services that contribute to students' independence, personal growth, and achieving their fullest potential.

#### **Program Evaluation Criteria:**

- Student at-risk behavior will decrease. (drop-out rate, retention rate, Missouri Options, Alternative Learning Center, discipline records, referrals to outside agencies)
- 2. Achievement test scores will be maintained or improved as needed.
- 3. Parent involvement opportunities will increase.
- 4. Student graduation rate will increase.
- 5. Attendance rates will increase.

#### Data to be Collected and Analyzed for Evaluation:

- 1. Surveys, newsletters, newspaper articles, letters to parents, websites information
- 2. Achievement test scores
- 3. Needs assessment (every 3 years)/ District survey in off years.
- 4. Exit interviews with graduates
- 5. 180 day follow-up survey
- 6. Drop out survey
- 7. Missouri Connections College & Career Planning Assessment
- 8. Attendance rates
- 9. Graduation rates
- 10. Internal Improvement review & building survey.

#### **Program Strengths:**

- 1. Counselors have positive interactions with students, parents, and staff.
- 2. 96% of the 209 participants that include teachers, parents, and students agree that building counselors are responsive to student needs. This is a 2% improvement from last year.
- 3. 92% of the 209 participants that include teachers, parents, and students agree that building counselors provide culturally sensitive and relevant classroom guidance lessons. This is a 5% improvement from last year.
- 4. 89% of the 209 participants that include teachers, parents, and students agree that building counselors provide timely services and are a support to staff and students.
- 5. 90% of the 209 participants that include teachers, parents, and students believe building counselors are a support when facing difficult student situations.
- 6. 82% of the 209 participants that include teachers, parents, and students agree building counselors provide information about student issues or situations as they arise.
- 7. Standards for graduation rates in all attendance centers were met on the annual performance report.
- 8. Positive interaction and cooperation with outside agencies (i.e. Missouri Children's Division, Juvenile System, private counseling agencies and mental health facilities).
- 9. Positive interaction with administration and other personnel throughout the district. (Family /school coordinator, nurses, teachers, support staff)
- 10. Working with on-site SRO to address students with excessive absences.
- 11. Transition activities from one building in the district to another facilitated by counselors.
- 12. Strategies are in place to identify at-risk students.
- 13. Curriculum implemented on all grade levels based on Missouri Comprehensive Guidance Program and Counseling Grade Level Expectations.
- 14. Success teams are in place at each attendance center to identify students with attendance & other types of problems and work toward solutions.
- 15. The ongoing Response to Intervention (RTI) programs at the elementary, middle schools and high school.
- 16. The ongoing implementation of a bullying implementation program at the middle school.
- 17. High School scheduling process is in place for the K-8 Rural Schools, middle school, and current high school students.
- 18. Counselors ability to refer students and families to the BRIDGES program
- 19. Counselors participate a time-task analysis monthly

## **Program Concerns:**

- 1. Need to educate faculty on implementation of a district crisis plan.
- 2. Increasing number of at-risk students due to increased poverty rates and associated societal problems.
- 3. The need to reduce counselor to student ratio.
- 4. The need for informational meeting with teachers regarding the implementation of the Missouri Comprehensive Guidance Program.
- 5. The need for an additional family services liaison due to a rise in student poverty and/or at-risk circumstances.
- 6. The need to increase parent, teacher and student input on survey and wording questions appropriate for parents.
- 7. Need to update the local Missouri Comprehensive Guidance Manual.
- 8. The need for a k-12 Bulling Program

Program Recommendations are included for each building in the following pages.

# South Fork Elementary Counseling Program Strengths and Areas of Need 2015-2016

## **Program Strengths**

- Regularly scheduled classroom counseling lessons throughout the year.
- ALL students have access to PSC and participate in the CGCP.
- Counselor spends 85%+ time involved with direct student services.
- Strong administrative and teacher/staff support.
- Individual counseling, small group counseling, and crisis counseling are available to ALL students.

## **Program Concerns**

- No full-time counselor at South Fork
- Personal Plans of Study are not utilized with all students.

#### **Summary**

The overall score of the CGCP improved slightly since the last school year. Individual planning has improved, due to more career-based activities, including field trips and utilizing Missouri Connections with  $4^{th}$ - $6^{th}$  grades. Time and Task Analysis reports are now being completed quarterly.

# West Plains Elementary Counseling Program Strengths and Areas of Need 2015-2016

#### **Program Strengths**

- The counselors have positive relationships with students and participate regularly in classroom guidance lessons.
- The small group counseling, although limited to only two topics, reaches almost 100 students weekly.
- There is a current implementation rate of 88% of the IIR which is a 2% increase over last year's rate.
- Teachers agree that building counselors are responsive to student's needs.
- Teachers agree that building counselors provide culturally sensitive and relevant classroom guidance lessons.
- Teachers believe that counselors keep staff informed of testing progress and results.
- Building counselors participate and provide input during regular staff meetings for at-risk students.
- Counselors work with the Missouri Children's Division, the School Resource Officer, and other
  agencies as it relates to students.

## **Program Concerns**

- Teachers desire more information regarding specific student situations.
- Building counselors need to continue and increase Time and Task Analysis.
- Lack of training with staff regarding Building Crisis Plans.

## West Plains Middle School Counseling Program Strengths and Areas of Need 2015-2016

#### **Program Strengths**

- Positive interaction with administration, faculty, and staff.
- Positive interaction with students and parents.
- "Guidance Program Report" during faculty meetings
- Counselor is responsive to student needs and provides individual and crisis counseling.
- Counselor offers support to teachers, students, and parents in difficult situations.
- Students are provided with career exploration opportunities through the use of Missouri Connections.
- Regular collaboration takes place between the counselor, administrators, nurse, and SRO to track attendance, grades, discipline, and social/emotional concerns, giving us a "whole student" perspective.
- Counselor clearly communicates with faculty and staff about issues to the extent possible.
- Counseling program involvement with awards ceremonies.
- Partnership with Common Grounds to provide quality group-counseling opportunities.

## **Program Weaknesses**

- The need to reduce the counselor to student ratio.
- The need to provide more classroom guidance lessons.
- The need to seek student/parent input when critiquing and planning program efforts.
- The lack of man-power for scheduling. Current only Ms. Hughes knows how to create a schedule.
- The need to streamline the enrollment process to the highest extent possible.

## West Plains High School Counseling Program Strengths and Areas of Need 2015-2016

#### **Program Strengths**

- Restructuring the counseling department to organize students by last name, rather than grade.
- College Advisor from the Missouri College Advising Corps.
- Organizational system that is in place enhances the career planning process.
- Strong professional relationship between counselors and students.
- Proactive in reducing the retention rate as well as increasing the graduation rate.
- Assist with strategies including RtI, credit recovery, Zizzer Pride Academy, Summer School, Missouri
  Options, and Success Staffing to address the increasing number of at-risk students due to increased
  poverty rates and associated societal problems

#### **Program Concerns**

- Lack of technology available in the high school counseling office for students to work on MO Connections, FAFSA, NCAA, scholarship applications and research colleges.
- Need to educate the faculty and staff on the implementation of the Missouri Comprehensive Guidance and Counseling Program.
- Need to update the local Missouri Comprehensive Guidance Manual.
- Lack of time available to conduct classroom guidance.
- No clear, concise referral and follow up process in place.
- No counseling goal in the district CSIP.

## **Summary:**

The development of this strategic plan was a process that spanned four months. Committee members were split into six subcommittees, one for each district goal. Each subcommittee was asked to develop two objectives related to each goal and to suggest action steps for each objective. These recommendations are noted in Appendix A. Using the proposed objectives, a comprehensive plan was compiled. Representatives from each subcommittee met to review all objectives and make final recommendations. The objectives listed here are a direct result of this collaborative effort.

## Goal 1 – Improve academic achievement for each student on an annual basis

**Objective 1** – The district will improve and monitor academic rigor in district-wide curriculum to ensure proficiency in college and career readiness.

**Objective 2** – The district will provide resources (training, assessment tools, instructional support, etc.) with which teachers may more readily identify learning gaps in order to ensure measurable student achievement.

## <u>Goal 2 – Provide Opportunities and Incentives for each student to participate in community service</u>

**Objective 1** – The district will enhance student growth enabling all students to practice skills and test classroom knowledge through related service experiences in the local community regardless of student ability or demographic.

Objective 2 – The district will create opportunities for each student to apply skills gained through curricular, co-curricular, and extra-curricular offerings through service experiences in the local community.

## Goal 3 - Ensure a safe environment that promotes excellence for all

**Objective 1** –The district will regularly inform all stakeholders about implemented practices and desired behaviors that contribute to a safe and welcoming campus environment.

**Objective 2** – The district will engage the community in meaningful experiences that promote school and community pride.

## Goal 4 – Communicate effectively on all levels

Objective 1 – The district will implement communications strategies to reach all patrons.

**Objective 2** – The district will implement processes to increase community involvement and participation during the school day and at school sponsored events.

# Goal 5 – Attract, retain, and continually develop a highly qualified and professional administration, faculty, staff, and school board

**Objective 1** – The district will align professional development to student learning standards to clarify next steps to student success.

**Objective 2** – The district will recruit, hire, develop, and retain staff members who are highly qualified, effective, and appropriately certified in the areas in which they teach.

# <u>Goal 6 – Operate in a fiscally responsible manner as good stewards of patron resources</u>

**Objective 1** – The district will effectively tell its financial story.

**Objective 2** – The district will optimize use of all revenue sources.

#### **Summary:**

The development of these action steps was a process that took place during the fall of 2015. The West Plains High School Strategic Planning committee utilized the district's strategic plan to compile action steps to meet the goals of the district. Committee members were comprised of the West Plains High School Leadership Team and various parent volunteers. Using the district's objectives, action steps were developed.

## **Action Steps**

The following action steps were developed by members of the West Plains High School Strategic Planning Committee for the purpose of implementing the goals and objectives of the school district.

## Goal 1, Objective 1

- 1. West Plains High School, under the guidance from the Assistant Superintendent for Curriculum and Instruction, will effectively perform as a <u>Professional Learning Community</u>, (PLC), meeting at least bi-weekly. These collaborative meetings are for the purpose of driving instruction, provide for the sharing of knowledge, student data, and work to improve teaching in all the classrooms.
- 2. The Zizzertime/Response to Intervention (RtI) program will be utilized to intervene with students who are struggling academically. Student progress will be monitored regularly and staff will collaborate to develop individual plans for students on an as needed basis.

## Goal 1, Objective 2

- 1. Teachers will be provided time to collaborate/analyze data regarding student learning gaps to determine the individual course of action needed for the student.
- 2. Teachers will be provided with professional development opportunities that support the Missouri Learning Standards.

## Goal 2, Objective 1

1. At West Plains High School, each teacher of an <u>elective course</u> will be required to incorporate into their class structure, (at a minimum), one service project per year related to the content area, and each member of the senior class will participate in the annual senior service day.

## Goal 2, Objective 2

- 1. West Plains High School will actively promote student participation in the wide variety of co-curricular and extra-curricular programs offered, as well as the various community service programs/projects throughout the year.
- 2. West Plains High School is committed to providing <u>Authentic Learning</u> in the classroom. This will provide for educational experiences that benefit the students outside the classroom. By definition, authentic learning is simply, "real life learning". Information is presented in a manner that is relevant and allows the students to make connections to the real world.

## Goal 3, Objective 1

- 1. West Plains High School will <u>provide information to all stakeholders</u> regarding school safety measures and efforts to promote a welcoming environment. Through various measures, such as the school website, the WPHS Site Council, parental involvement nights, the West Plains High School activity/calendar page, and during Parent/Teacher Conferences.
- 2. West Plains High School will provide a <u>safe environment</u> by conducting various safety drills and by providing appropriate training for the staff.

## Goal 3, Objective 2

- 1. West Plains High School will inform <u>all stakeholders</u> about the many community service projects and partnerships students are participating in through various measures such as the school website, the WPHS Site Council, parental involvement nights, and during Parent/Teacher Conferences.
- 2. West Plains High School will <u>recognize students and groups of students</u> throughout the school year with morning announcements, recognition assemblies, and various avenues of media.

## Goal 4, Objective 1

1. West Plains High School will <u>communicate</u> to parents and patrons via personal communication, Facebook, automated calls and texts, the web page, and flyers via PeachJar. Face-to-face communication will be accomplished through parent nights, parent/teacher conferences, and site council meetings.

## Goal 4, Objective 2

- 1. West Plains High School will provide <u>food</u> at additional school events to promote increased parental involvement, (Open House, P/T Conferences, Back to School Bash, departmental parent nights, etc.)
- 2. West Plains High School will increase student participation in after school events by a number of methods. These include conducting drawings for prizes for students that are represented in <a href="Parent/Teacher Conferences">Parent/Teacher Conferences</a>, as well as provide "select seating" for students at school events. Students who are on gold card status will receive free admission to various athletic events.

.

### Goal 5, Objective 1

- West Plains High School will integrate late starts (utilized for teacher collaboration) into their weekly routine, effectively utilize instructional coaches provided by the district, and provide relevant professional learning opportunities on Teacher Inservice days.
- 2. West Plains High School teachers will be surveyed to gain feedback regarding topics they believe to be most beneficial for Professional Development.

### Goal 5, Objective 2

- 1. West Plains High School will utilize the <u>Network for Educator Effectiveness</u> tool for teacher improvement and evaluation.
- 2. West Plains High School will utilize and support a <u>Mentor/Mentee</u> program for new staff.

### Goal 6, Objective 1

1. West Plains High School will communicate its financial needs to appropriate district-level administration.

- 1. West Plains High School will continually work to foster positive support through "friend raising" and will pursue grant opportunities to enhance the learning environment.
- 2. West Plains High School effectively monitor budgeted funds and operate in a fiscally responsible manner by not exceeding budgeted amounts and spending funds in the most efficient manner possible.

#### **Summary:**

The development of this strategic plan was a process that took place during the fall of 2015. The West Plains Elementary School Strategic Planning committee utilized the district's strategic plan to compile action steps to meet the goals of the district. Committee members were comprised of the West Plains Elementary School Leadership Team and various parent volunteers. Using the district's objectives, a comprehensive plan was compiled.

### **Action Steps**

The following action steps were developed by members of the West Plains Elementary School Strategic Planning Committee for the purpose of implementing the goals and objectives of the school district.

### Goal 1, Objective 1

- 1. Monitor academic rigor in district-wide curriculum to ensure proficiency by implementing the 10 month pacing guide and curriculum updates.
- 2. Provide high quality professional development based on goals and standards set by the district.

#### Goal 1, Objective 2

- 1. Provide academic resources for teachers and staff to identify learning gaps in student achievement.
- 2. Utilize assessment data to inform instructional strategies for high quality classroom instruction.
- 3. Utilize a variety of student data to provide and support student academic success. (RTI, Acuity, Study Island, Standard-Based Grading)

### Goal 2, Objective 1

- 1. Reinforce the value and relevance of giving back to the community through social studies units of instruction. Members of the community will be invited to participate in activities within the building and students will visit applicable locations within the community.
- 2. Effectively utilize the Positive Behavior Support program which develops school-wide leadership and character.

- 1. Develop a comprehensive, building-wide community service plan. Each student will be engaged in at least two service experiences on an annual basis.
- 2. Engage students in service activities which support the Bridges program. Students will be taught the importance of supporting these programs which serves those in the community who are in need.

### Goal 3, Objective 1:

- 1. Students and parents will be informed about the Positive Behavior Support (PBS) system that serves as our code of conduct. This system encompasses all aspects of appropriate behavior, while identifying and addressing unacceptable behavior.
- 2. Implement and annually review a comprehensive safety plan which includes safety training/drills for all students, faculty, and staff. The elementary teachers will undergo additional safety training and situational training focused on the threat of an intruder.

### Goal 3, Objective 2:

- 1. Establish informational Parent Night meetings once a month to educate students, parents and faculty about current issues affecting local schools. The meetings will focus on curriculum that will be covered throughout the month, the methods used to teach the curriculum, and ways parents can assist their children.
- 2. Promote school events and special announcements by utilizing monthly and weekly newsletters, utilizing the automated phone/text/email system, and our electronic sign at the front of the school.

### Goal 4, Objective 1

- 1. Develop partnerships with local media to establish a community awareness campaign focused on providing student success "tips" for parents and the community. Inform the community of upcoming events through various avenues such as e-news bulletins, department/program/grade level websites, social media: Facebook and Twitter, voicemail messaging, principal's monthly newsletter, texts from teachers to parents, radio spots, open forums, special events/nights at school, newspapers, Peachjar, personal calls to parents, etc.
- 2. Establish a process to disseminate information regularly to all West Plains area residents. Information may include items such as the Annual Performance Report (APR), upcoming events, financial information, etc. Family and community nights are currently held to disseminate information as well. They include but are not limited to; open house events, monthly parent nights, Academic Booster Club meetings and events.

- 1. Create and enhance community volunteer opportunities by extending specific invitations to various school stakeholders.
- 2. Offer incentives to attract community members to events.

### Goal 5, Objective 1

- 1. Effectively integrate PLC's into the educational policies and practices so that they are a seamless part of all daily activities and all strategic planning.
- 2. Establish a building-wide continuum of professional development so that educators can measure their PD progress relative to peers.

### Goal 5, Objective 2

- 1. Develop and implement a research based, supportive teacher-mentor, instructional coach program for all first and second year teachers.
- 2. Use the Network for Educator Effectiveness evaluation system to provide formative and summative feedback to teachers and administrators with data which will direct professional development.

### Goal 6, Objective 1

- 1. Utilize traditional and social media to provide concise fiscal information to the public.
- 2. Manage software programs that are available at all learning levels so that the programs are used appropriately and consistently.
- 3. Collaborate with staff prior to purchasing new computer programs to ensure that programs are beneficial and will be utilized by educators.
- 4. Utilize public venues (such as forums, workshops, etc.) to share fiscal information with the community.

- 1. Optimize grant opportunities through collaboration among staff members and the community. Educators will be committed to applying for grants in their field of expertise and experience.
- 2. Purchasing equipment, supplies, or apparel, the school will endeavor first to buy locally.
- 3. Connect with key community stakeholders (such as community individuals/groups, local businesses, education and government organizations, cultural and recreational institutions, media and sports associations).
- 4. Develop and maintain a print or electronic directory of community resources.
