BUDGET MESSAGE

(This page intentionally left blank)

2018-19 BUDGET MESSAGE

The mission of the proposed budget is to complete several of the projects we currently have initiated. As presented, there is a revenue deficit of \$1,202,662 needed to cover the proposed expenditures. The proposed budget includes expenditures of \$29 million dollars. The proposed budgetary deficit represents 4.1% of the expenses. The proposed budget has the potential of being balanced if revenues continue to improve and if expenses can be controlled and minimized. When budgeting, projected revenues are conservative, and expenses are adequate provided there are few unknown surprises.

This deficit includes over \$800,000 of expenses for projects the district has committed to.

The last few years the district has been fortunate to have received increased enrollment, which has increased state revenue, and also experienced an increase in local tax collection. The district has budgeted 3-4% deficit budgets over the past three years with positive results.

The districts overall revenue continues to increase. Due to increased enrollment and larger bonuses for our free and reduced population and IEP population, district funding continues to rise. For example, the district has budgeted \$8,115,000 for Basic Formula which is approximately a \$60,000 increase over last year's budget. We also expect to see increases in the Classroom Trust Fund and Prop C.

Local revenues appear to be strong. This is a reassessment year which historically results in the same income as the prior year; however, 2017 revenue increased over \$100,000 from 2016.

The following items are significant expenditures within the budget.

- This budget includes a \$450 dollar increase to the base teacher salary, which was approved in January. The cost of the addition was estimated at \$200,000.
- This budget includes \$75,000 for horizontal movement.
- This budget includes vertical movement on the salary scale which has an estimated cost of \$145,000.
- This budget does not include an increase on the monthly board paid health insurance premium. The cap is currently set at \$425.
- The "4000" section (facility improvements) is currently set at \$1,058,500. This amount is significantly higher than actuals of our prior years. In 2016-17 the district spent \$513,000 and in 2015-16 the district spent \$303,000.

The current budget allows for the following expenditures.

Cafeteria Tables	\$40,000	CC/Track Fieldhouse	\$50,000	FEMA (District Cost)	\$300,000
Elem Gym PA System	\$10,000	SF & WP Elem Playground	\$40,000	FEMA (Reimbursed)	\$200,000
Elem Preschool Playground	\$20,000	Elem Library Wall Removal	\$25,000	SCCC 1st Floor Bldg. Trades	\$100,000
ZIA Equipment	\$35,000	Soccer Lights	\$20,000	Old Soccer Parking Lot	\$72,000
Riding Scrubber	\$12,000	Maintenance Shed	\$15,000	CC/Track Lockers & Supplies	\$20,000
Tennis Courts	\$160,000	MS Trailer	\$50,000	SF FEMA Furniture	\$15,000

- The current Technology budget (2331) contains approximately \$250,000 for technology purchase. An itemized budget has not been completed, however, this allocation should get the district very close to fulfilling our "One-to-One" initiative for grades 3-8.
- District Project Lead the Way (1371) currently has approximately \$70,000 budgeted for supplies. This amount has not been revised.
- This budget includes \$240,000 in District Textbook purchases (6431). An Itemized budget has not been completed.
- Includes \$142,000 for district Safety & Security (2546). This includes improvements to the district camera system, HS campus door locking system, the second payment for district radios, and the possibility of adding an additional SRO. If an additional SRO is added, a minor addition to the budget will need to be provided.

Year 2018, an even year, Howell country will not receive a reassessment. Typically, we see a light increase as existing values remain stable and the district collects on new construction and additional personal property. A decrease in assessed valuation is less common but did occur in 2016.

The proposed tax rate for 18-19 is \$3.79. It is possible that the Handcock amendment may cause the district to roll back the tax rate, however, if this is the case, I would suspect that total assessed valuation will increase which will offset the reduction in tax rate.

At this time \$160,000,000 will be used as the proposed assessed valuation. The budget is based on 97.5% collection. 91.5% in current taxes and 6% in delinquent taxes. The district will use \$3.79 as the tax rate.

Based on the budgeted A.V. and 97.5% collection rate, each 1 cent levied will gain the district \$15,600.

[See Page 11-14: Local Tax Collection]

(Prop C Revenue) [5113]

Commonly referred to as the Proposition C Sales Tax Fund. This should not be confused with Classroom Trust Fund. Prop C revenue is considered local, however, it is received from the state.

To determine Prop C amounts, the district multiplies the prior year Weighted ADA (no summer school) by the state's determined amount. Through March of 2018, Prop C estimations continue to be very good. The current March 2018 projection is as high as \$1,008 which is significantly greater than years past. DESE is telling school districts to be cautious in using this number. Early Prop C estimates have a history of being high and optimistic. For budgetary reasons the district will use \$995 for the budget Prop C estimate. Refer to Page 11-01 for the Prop C calculation as well as Page 11-11 for Prop C detail.

[See Page 11-11, Prop C Estimate]

Financial Institution (Intangibles) [5114]

Taxes levied on the intangible assets of financial institutions such as banks or savings and loan associations. The district has received more than projected the past three years from financial institutions with home offices in Howell County. Financial Institution Tax is very difficult to project from year to year. \$50,000 continues to be a good annual estimate.

Updated: April 5, 2016

M & M Surcharge Tax, Delinquent & Interest [5115]

M&M is determined from a historical perspective. It can fluctuate with large margins. The district has increased revenue to \$320,000 from last years \$310,000. This is based on projections from late March. *Updated: 3-26-18*

Interest Earned [10-0000-5141-0000-000-0000]

The district receives minimal amount of interest on several sources of revenue. The district's depository is the largest source of interest followed by interest earned on tax revenue. When reviewing the trends in late March, the revenue streams appear to be consistent with the prior two years.

The district is currently under contract with Community First Banking Company for depository services. Interest is paid to the district at a variable rate of the 91 day discounted Treasury Bill rate as published in the Wall Street Journal plus .31 Basis points adjusted monthly on the first business day of the month. Community First Banking Company guarantees a minimum rate of 1.25%. *Updated: 3-26-2018*

Admissions [5171]

All admissions revenue is budgeted in the general 10-0000-5171-1050-218 account code. Admissions is based on the district trend. Current revenue trend is slightly up from last years budgeted \$35,000. \$35,000 will be budgeted.

Miscellaneous Local Revenue [5198]

You will also notice that the districts current PEPSI contract provides the district with \$10,000 for 10 years. The first payment was made in 2013-14 school year and the last payment will be made in the 2022-23 school year. The school district approaches the conclusion of the current terms, the district will renegotiate the contract for the years following 2022-23.

Student Activity & Booster Activity (Manual Entry)

The district annually allocates \$850,000 to the Student Activity Accounts and \$50,000 to the Booster Budgets. These budgets appear to be accurate. Please keep in mind that the district does not fund these accounts. This budget line only serves as a "place holder" for the anticipated revenue and expense. There is an equal Student Activity and Booster Budget on the expense side to "wash out" the net revenue and expense.

County Revenue

Fines, Escheats, Forfeit

These are revenues received from the county school fund. All fines passing through the office of the County Clerk or Circuit Clerk. It also includes Sheriff's sales (foreclosure sale surplus)/unclaimed tax surplus surtax. Revenues continue to decrease slightly. The current budget remains at \$95,000

RR/Utility-Private Car Tax

Largest part of this revenue is a railroad tax which is divided between the schools within the county where the tracks cross. Use a historical estimate. RR/Utility is up last year and current year so the budget will increase from \$215,000 to \$230,000.

State Revenue

Basic Formula State [5311]

Basic formula revenue continues to increase due to an increasing State Adequacy Target (SAT), increased district Resident students, and added bonuses (lower thresholds) for weighted ADA (WADA).

For 2018-19 school year, revenue will be collected from the highest year which at this time is 2016-17.

The district will see a decrease in revenue for the 2019-20 school year if WADA numbers do not increase.

Transportation State [5312]

Transportation is funded using a formula, however, there has been so much uncertainty in transportation funding and the overall transportation budget at the state level that historical data has been used for the past few years. Through March 27, 2018 transportation is being funded at 29.6% and the projected revenue for the current year is \$145,350. Revenue continues to decline for the district in transportation. The projected budget has been adjusted to \$140,000. *Updated: April 5, 2016*

Classroom Trust Fund [5319]

Class room trust fund is a pool of money which is somewhat deceiving. The money is built into the State Funding Formula even though it has its own separate budget and revenue code. If Classroom Trust Fund increases, Basic Formula [5311] will decrease by the same amount. Classroom Trust Fund is separated because there is flexibility with how a school district can spend this allotted money.

Classroom Trust Fund is currently estimated at \$414 per ADA which is the projected rate in the March 2017 DESE finance memo. Classroom Trust Fund is generated from State Gambling revenues.

[CTF page is in Section 11: Page 12 and you can see the calculated amount on page 11-1, lines 16 for CTF for state formula calculation]

		455		Tuition Total:	\$3,590,000

District Tuition is based upon the K-8 enrollment (Average Daily Attendance) and multiplied by the district tuition rate. The 2018-19 tuition rate has slightly increased to \$7,890.79 from the 2017-18 rate of \$7,880.95

Due to smaller than normal class sizes across the West Plains community over the past 4 years, the West Plains District has seen a decrease in K-8 enrollment. K-8 ADA has decreased from just over 500 to the current projection of 455. Based on the projected ADA and the 2018-19 tuition rate, the district is projecting tuition revenue to be \$3,590,000. The estimated ADA is based on the 2017-18 K-8 ADA through the month of March. The incoming 9th grade class is expected to be similar in size to the current year graduating class.

****NOTICE**** The presented budget includes the figure of \$3,590,000. If K-8 enrollment and/or ADA declines from the estimated 455, the presented budget will fall short.

EXPENSE NOTABLES

Salaries & Benefits

Salaries [61xx] & Benefits [62xx]

Salaries and Benefits are automatically calculated through the district's financial software, Keystone. The current budget includes \$19,899,000 in salaries and benefits as compared to last years \$19,495,000, an increase of \$404,000. The following are the major components of salaries & benefits.

- Base Salary: The current budget includes a \$450 increase to the base which was approved in January 2018.
- Vertical Step (One Year Experience): The proposed budget includes vertical movement.
- Horizontal Step (Education Advancement): The proposed budget DOES include a budgeted amount of \$75,000 that will allow for horizontal movement. The account codes for this movement can be found in Function Code 2698.
- Health Insurance [6241]: At this time the budget contains the board approved insurance cap of \$425.
- At this time all benefits, excluding Health Insurance, are remaining stable for the 2018-19 school year. Rates have been adjusted through an automatic calculation within the district payroll system. Rates are as followed:

PSRS: 14.5%
OASDI: 6.2%

Life: \$3.80 (\$45.60)

PEERS: 6.86%
Medicare: 1.45%

Missouri United School Insurance Council (MUSIC)

Includes: Workers Compensation Insurance [6261], Property Insurance [6351], Liability Insurance [6352]

The school district currently receives Workman's Comp, Property Insurance, and Liability Insurance through a State-wide school consortium that currently includes 463 school districts.

The 2017-18 renewal (paid Dec. 2017) was \$300,531 minus a membership credit of \$21,037 for a total of \$279,494.

School districts have been told multiple times over the past few years that credits were coming to an end. For the 2018-19 budget, the district has budgeted **\$300,700**.

[See Page 11-23: M.U.S.I.C.]

Technology (2331)

The district's technology budget has increased from last year by \$10,000 based upon request, however, the district has not expended the full budget the last two years.

Security Services (2546)

The district has currently increased the security services budget by approximately \$55,000. This addition has not been allocated to one project in particular but could be used to improve door security at the high school, improve cameras across the district, or possibly even add an SRO. There is also \$40,000 which has been allocated to make the 2nd of 3 payments for the radios purchased in the summer of 2018.

Transportation (Non-Allowed Mileage) (2558)

The current budget includes \$40,000 to provide up-keep to the district vehicle fleet.

Facilities: (40-4000)

- There are five large projects which are currently included in the budget.
 1. **South Fork FEMA Building:** There is currently \$415,000 of FEMA expenditures in the budget. Also included in this budget is \$200,000 of FEMA reimbursement. At this time it is difficult to determine how much of this project will be completed and billed to the school, as well as reimbursed to the school in the 2017-18 budget year. \$15,000 of the expenditures have been set aside for purchasing necessary furniture and supplies.
 2. **Tennis Courts:** There is currently \$160,000 included in the budget for the districts portion of completing the tennis courts.
 3. **Cross Country/Track Field House:** The district is hoping to complete this building as a 2018 summer project, however, some of the expense will come out of the 2018-19 budget. The proposed budget includes \$50,000 to finish up the Cross-Country Building and an additional \$20,000 for furnishings such as lockers.
 4. **Career Center First Floor:** Once the Cross-Country Track Building is completed the Building Trades class will begin finishing the first floor of the SCCC. The current budget has \$100,000 allocated to this project.
 5. **Old Soccer Parking Lot Base & Gravel:** A \$72,000 bid has been submitted as an addendum to the tennis court project. This will be at the district cost.
- Along with these larger projects, the district is also finishing or proposing several smaller projects.
 - o **Playground Match:** The district had made a pledge to allocate \$20,000 to the South Fork Playground as well as \$20,000 to the Elementary Playground.
 - o **Elementary Library Wall:** Removal of “Shower Glass” wall and replacement with regular windows. (\$25,000)
 - o **Secure Entrance and Front Desk for HS:** (\$10,500)
 - o **Spring 2019 Trailer Purchase and Trailer Set-Up:** There is high probability that the district will need to add a second trailer at the Middle School. (\$50,000)
 - o **The district typically allocates an amount for unexpected expenses within the facilities budget.** For 2018-19 this amount has been reduced to \$50,000.

Debt & Lease Purchases

To get a clear picture of the districts debt (lease purchase) payment schedule, see Section 8: Page 1. The district has currently budgeted \$1,148,249 in the 2018-19 proposed budget.

*** Column Step 1 = THS X 1.5 X Index

The indexed salary schedule is tied directly to the teachers' salary schedule. The salary of the middle school principal at Step 1 is determined by multiplying 1.5 times the highest salary of the teachers' schedule and then multiplying by the column index.

All other indexed salaries are percentages applied to the middle school principal Step 1 salary. Three (3) years of experience toward placement for the same or higher position is allowed.

When an employee advances up from one column to the next, his/her salary will be based on the Step 1 index of the new column. The exception to this will be when an employee will receive a lesser index factor in the new position than in the previous position. In that situation, the employee will receive placement on the step that will result in an increase from what was being received in the previous position after applying movement (if board approved). Example: An assistant principal at the high school at a Step 9 becomes middle school principal. The middle school principal step 4 would result in a raise over asst. HS principal step 10 after movement was applied. When an employee moves down from one column to the next, his/her salary will be based on that new column's index with his/her step movement continuing without interruption. An additional \$2,000.00 is added to the employee's salary for a doctorate degree.

FROM THE MARCH 2017 DESE FINANCIAL MEMO

2018-19 Proposition C Sales Tax Payment Estimate

The Governor's Budget projected an increase in Proposition C revenue for the 2018-19 fiscal year. The 2018-19 Proposition C Sales Tax payment will be paid on the 2017-18 weighted average daily attendance (WADA).

With statewide ADA basically holding constant and the assumption that summer school will do the same, it is predicted that Proposition C Payment WADA will be in the vicinity of 912,000 in FY19. If the Revenue Estimate of \$917,500,000 is achieved, it would mean a WADA payment of approximately \$1,006. While it appears this level of collection is potentially achievable, caution should be used as determination of budget estimates are made.

Trend data for Proposition C Payments since the inception of the current foundation formula can be located in the section of this memo titled 2017-18 – Proposition C Sales Tax Payment Estimate Revision.

CLASSROOM TRUST FUND

Updated on: April 5, 2017

It is important to remember Classroom Trust Fund is part of the State Funding Formula. The total State funding formula numbers can be found on line 16 of the Formula Calculation Estimate which is located in Section 11: Page 1.

Based on the March Finance Memo, \$406 per ADA will be used as the CTF estimate.

FEBRUARY FINANCE MEMO

2017-18 Classroom Trust Fund Estimate

The 2017-18 Classroom Trust Fund payment is paid on the 2016-17 average daily attendance of approximately 849,000. The projected Classroom Trust Fund revenue as stated in the Governor's recommendations for the 2017-18 budget is \$351,663,349. This estimated revenue will be divided by an estimated 2016-17 average daily attendance of approximately 849,000, which is approximately \$414 per ADA from the Classroom Trust Fund for the 2017-18 year. The Classroom Trust Fund is one of the funding sources of the Basic Formula and, like other funding areas, we will not know exactly the funding level until the appropriation process concludes. While it appears this level of collection is potentially achievable, caution should be used as determination of budget estimates are made. Please remember that this calculation is done to determine the proper placement of funds in accordance with statute.

As a reminder, Senate Bill 291 passed in the 2009 legislative session includes the following provision in Section 163.043.5:

For the 2010-2011 school year and for each subsequent year, all proceeds a school district receives from the classroom trust fund in excess of the amount the district received from the classroom trust fund in the 2009-2010 school year shall be placed to the credit of the district's teachers' and incidental funds.
