Mrs Vanderbilt 11-16

Brady C 11-25

Mrs Cook 11-18

Mrs Stricklin 11-18

Mrs Hill 11-24

Mrs Schutjer 11-25

WPE News

Kindergarten is working on upper and lower case letter recognition and letter sounds to prepare for beginning reading. They are also using objects to illustrate numbers and what that number represents. "Lights On" raffle prize winners were The Marshall Family who won the Quiznos gift certificate, Andrew R's family won the At Home Market gift card, and Trenton & Ty B family won the Diamond Head gift certificate.

Middle School News

Students have been researching, designing, and creating paper airplanes that were demonstrated at Lights On. Students also studied fitness and health in which they created nutritional menus. Students have also learned Chinese origami and worked hard to achieve their AR points.

SFE News

Students are learning math skills using computers. Children are enjoying interactive learning with scholastic websites such as studyisland.com and poptrópica.com. The Harden family won the "Lights On" gift certificate to El Charros.

4H News

4H members are learning about small animals. Students will have the opportunity to bring in their own small pets in December. Members will continue to collect the school's recyclables. Since we have two 4H clubs (4H Zizz Kids & Clover Kids), each group alternates pick up each week.

Youth Council News

WPE: Students decided they did not like gold fish crackers for snack and have requested pretzels. Gold fish have now been replaced with pretzel fish.

WPMS: Members like having homework time at BASE so they can have fun at home. Members would like to have soccer balls and their tennis balls replenished.

SFE: Members would like to explore more science in weather or exploration. Members would like to have older students mentor to the younger students and to send out appreciation cards to teachers, parents, and grandparents.
