

911. . . May We Never Forget!

This year, September 11, 2011, marked the 10 year anniversary of the terrorist attack on America. Many of us will never forget the horrific sight of watching two U.S. planes fly into the World Trade Center Towers in New York City. Students who were born during 2001 and later are learning about 911 through news footage and older individuals who shared the experience of that day. This year SCCC's FCCLA participated in the West Plains 911 Remembrance Day on Saturday, September 10th. The FCCLA students with Mrs. Ruby Collins, not only handed out red, white and blue ribbons to individuals in the crowd but also participated in a walk with other groups and organizations. The walk began at Peoples' Park and continued to the Senior Citizens Center where our FCCLA had a table with a variety of newspapers and magazines from September 2001. One of the most heart felt activities was the reading of all the names of individuals who lost their lives on that day. We would like to thank everyone who helped with the remembering of 9/11.

As the names
of the 911
victims were
read, police
officers, firemen
and individuals
would flip a
tire.

Oct. 31th
the Practical
Nursing Dept.
will be having
a Halloween
Costume Contest!
BEWARE!!!

FANTASTIC FACT!

What SCCC program has scored above the state and national average for the past 43 years?

*Practical
Nursing*

WE REMEMBER 9/11
