The West Plains Public School District is making the following “Request for Proposals” (RFP’s)
On the following items for the “SCHOOLS AND LIBRARIES UNIVERSAL SERVICE PROGRAM”
(E-RATE) for the 2014-2015 school year.

All proposals must be submitted by February 24, 2014 at 1:00pm.

You may issue a Proposal on any or all.

TELECOMMUNICATIONS SERVICES:

Basic local telephone service

Long Distance service

-The services is provided to a centralized location and then distributed to the outlying buildings. Phone services should also work in conjunction with a Toshiba Strata Digital Phone System.

Wireless Telephone service

-This is for up to 35 lines to provide communications for district employees

INTERNET ACCESS:

Wireless Data service

-This is for data packages on the 35 wireless lines of service which will include 3-5 mobile hotspots and hotspot functionality for wireless handsets

10GB Fiber connections between buildings

-This will be to upgrade our building connections to 10Gbps speeds between buildings and provide higher bandwidth internet in preparation for an influx of additional computing devices. They will interconnect our Administration building, High School, Middle School, Area Career Center, and one Elementary.
